

## Campus Auxiliary and Support Services

The mission of Campus Auxiliary and Support Services is to provide USCA's campus community with prompt and efficient service in the areas of purchasing, receiving, delivery, inventory control, insurance administration, surplus property management and mail services. While adhering to all federal, state and University guidelines and, in keeping to the overall mission statement of the University, Campus Auxiliary and Support Services (CASS) will obtain the best value for the campus community in the areas of copying, supplies, vending, Dining Services, Custodial Services and Bookstore Operations through effective contract administration.
