## Resident Mentor Employment Application University Housing University of South Carolina Aiken

**Please answer each of the following questions (if you need additional space, please type on a separate document):**

1. Why are you applying for this position?
2. Part of your role as a Resident Mentor is to develop a healthy, thriving community. What does a healthy, thriving community look like?
3. Describe your particular strengths and weaknesses that will have an impact on your performance as a Resident Mentor?
4. What other commitments do you have for next year? How do you plan to balance doing high quality work as a Resident Mentor and still maintain excellence in your other commitments?

**\* *By submitting this employment application, I have agreed that I would like to be placed in consideration for the Resident Mentor Position at the University of South Carolina Aiken.***

A complete **typed** application can be turned in to Community Director Bre Nevils in the Pacer Commons Area Office, room 200. Applications will be accepted on a rolling basis until Tuesday, February 5, 2019. Positions will be filled on an as needed basis for the current academic year. Formal interviews for the 2019-2020 academic year will be conducted in the Spring Semester. Candidates that are selected to interview will be contacted via e-mail.
