

2019-2020 Independent Verification Form

Your 2019-2020 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Federal law requires that, before awarding Federal Student Aid, we ask you to confirm the information you and your spouse reported on your FAFSA. To verify that you provided correct information, our staff will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected and you also may be asked to provide additional information. If you have questions about verification, contact the office as soon as possible so that your financial aid will not be delayed.
