Change to Title IV Fee Authorization Statement

_____ _____ or _____
STUDENT'S NAME USCA ID VIP ID

Instructions:
This form is used to change the answer to the Title IV Fee Authorization Statement you submitted on Self Service Carolina (SSC). If you wish to change your answer from what was submitted on SSC, complete this form and send it to the address or fax number provided in the upper right.

Purpose of the Title IV Fee Authorization Statement
The U.S. Department of Education requires that Federal Title IV financial aid funds only be applied towards allowable institutional charges such as tuition and fees, and university housing and meal plans when applicable. However, with your authorization, the University can apply any Federal Title IV financial aid funds you receive to other non-institutional charges appearing on your student account.

Example: If this authorization is not provided, charges such as a parking permit or health center charge would NOT be paid by your Title IV financial aid funds. You may need to pay these charges using other funds.

Federal Title IV funds to which this statement applies include: Federal Pell Grant, Federal SEOG Grant, Federal TEACH Grant, Federal Perkins Loan, Federal Direct Subsidized Loan, Federal Direct Unsubsidized Loan, and Graduate PLUS Loan.

TITLE IV FEE AUTHORIZATION STATEMENT
I authorize the University of South Carolina to apply any excess Title IV financial aid to non-institutional charges appearing on my student account for the academic year. I understand that this authorization is valid from the date of completion throughout my academic career at USC Aiken. I may rescind this authorization at any time.
