This form will only be utilized for course registration in the current or upcoming semester/term, and will not replace or change any final grades already posted to a student's record, including grades of 'W.' Pass/Fail is only available on free elective courses. By selecting the pass/fail option, the only final grades possible are 'S' for satisfactory or 'U' for unsatisfactory. A final grade of 'S' will count towards hours earned but not towards grade point average.
